What's AEROMART Montréal?

Over the past 20 years, AEROMART has established itself as the global event for the aerospace industry in Canada.

It is today the leading global aerospace venue based on pre-planned B2B meetings! Aeromart Montréal provides a remarkable opportunity to identify potential partners, customers or suppliers. This focused event will help you save time and money in meeting relevant contacts in just 3 days.

OEM's, Tiers 1, the entire supply chain and international suppliers meet in Montréal – the 3rd aeronautic hub in the world.

WHO ATTENDS

AEROSPACE INDUSTRY IN MONTRÉAL, A KEY SECTOR

Montréal is a world aerospace capital, along with Seattle and Toulouse. 98% of the sector's activities are concentrated within a 30-kilometre radius of Greater Montréal. They generate 43,400 jobs, including 13,000 engineering and science specialists.

Québec's aerospace industry creates significant valued-added benefits for the economy. In Québec, we are fortunate to have one of the most successful supply chains in the world **over 200 companies and total sales of \$17.8 billion in 2019, 15,9% growth in 2019.**

Our industry exports about 80% of its production. We owe this high level of excellence and competitiveness to every company in our ecosystem, regardless of size.

6 prime contractors and nearly 15 world-class OEM integrators that can rely on a vast network of subcontractors and suppliers of specialized products are headquartered in Montreal.

Airbus | Bell Helicopter Textron Canada | Bombardier | CAE | Mitsubishi Aircraft Corporation | Pratt & Whitney Canada
