# What's AEROMART Montréal?

For over 20 years, AEROMART has established itself as the global event for the aerospace industry in Canada. It is today the leading global aerospace venue based on pre-planned B2B meetings! Aeromart Montréal provides a remarkable opportunity to identify potential partners, customers or suppliers. This focused event will help you save time and money in meeting relevant contacts in just 3 days.

OEM's, Tiers 1, the entire supply chain and international suppliers meet in Montréal – the 3rd aeronautic hub in the world.

## PREVIOUS EDITIONS KEY FIGURES

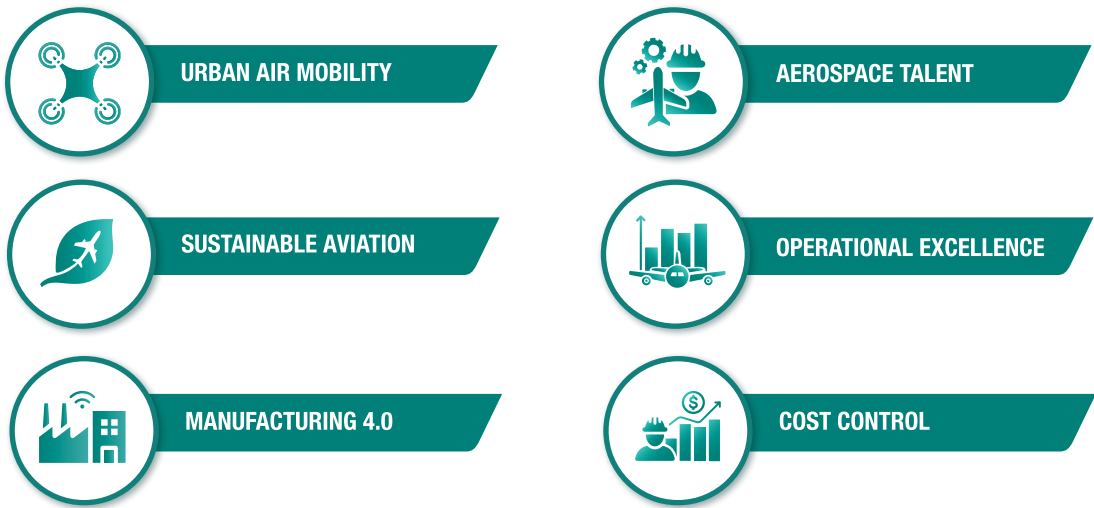

## WHAT'S NEW?

### CONFERENCE KEY TOPICS

Aeromart Montréal presents **high-level conferences**, where industry figures gather through a series of engaging sessions. From exploring **new business opportunities** to addressing **sustainability** challenges, these conferences provide a comprehensive platform for knowledge exchange and collaboration, fostering innovation and driving the industry forward.

Among some key topics that will be addressed:

More to come !

## THE GREENTECH AEROSPACE VILLAGE

At the new GreenTech Aerospace Village, industry pioneers gather to shape the future of aviation. This unique space serves as a focal point for innovation in low-carbon light aviation, drawing together leading companies dedicated to advancing sustainable practices. Exploring opportunities to collaborate and contribute to a greener future in aerospace.
